

From April 1st (Friday) will start the enrolment of primary school pupils

The enrolment of primary school pupils in the founding activities of the city of Banská Bystrica for the school year 2022/2023 will take place in the period from April 1st to April 30th 2022. Further information on the enrollment is published in accessible places on the school premises, as well as on the schools' websites.

The legal representative is obliged to register their child for compulsory school attendance at the primary school in the school district, in which the child has a permanent residence (catchment school). A pupil may also take compulsory school attendance at a school other than the catchment school, if the principal of that school admits him to basic education. However, they are obliged to give priority to pupils, who have a place of permanent residence in the area of the catchment school.

More information on the individual primary schools in the founding area of the city to enroll, together with telephone contacts, e-mail addresses and websites, can be found at [this link](#).

If the child is six years old but does not have school qualifications, the principal of the kindergarten decides on his / her continuation of compulsory pre-primary education in the kindergarten. In this case is required the written consent of the counseling and prevention facility, the general practitioner for children and adolescents as well as the consent of the legal representative or representative of the facility.

When enrolling a child in primary school, the legal representative will present an ID card and child's birth certificate for inspection. More information on enrolling a child in primary school is published on the city's website in the section of the School Office, Department of Education and Youth. The enrollment is also suitable for Ukrainian children and pupils who plan to stay in Banská Bystrica.
