

Kindergarten enrollment will take place in early May

Enrollment of children in kindergartens in the founding area of the city of Banská Bystrica for the school year 2022/2023 will be in the period from 2 to 4 May 2022 from 9:00 to 12:00. and from 13:00 to 16:30. The application for admission of a child to pre-primary education can be submitted from 1 to 31 May 2022, while admission is limited by the capacity of individual kindergartens. Children for whom pre-primary education is not compulsory are admitted regardless of their place of residence.

The child is admitted to the kindergarten on the basis of the request of the legal representative or the representative of the facility in which he / she is placed. The application is submitted to the director in person or electronically, and must include a certificate of medical condition from a doctor, which should also include information about the vaccination. In the case of a child with special educational needs, the application for admission to pre-primary education is accompanied by the opinion of the relevant educational counseling and prevention facility, as well as the recommendation of a doctor for children and adolescents.

Compulsory pre-primary education

Pre-primary education is compulsory for a child who reaches the age of five by 31 August 2022. He must attend a kindergarten in the municipality in which he has a permanent residence, and thus in a catchment school, unless the legal representative for the child chooses another, to which the principal will admit him if he has sufficient free capacity. The catchment kindergarten is intended only for children for whom pre-primary education is compulsory.
